Education

Jaipur Engineering College and Research Centre

B.Tech in Artificial Intelligence & Data Science (CGPA: 9.7/10)

July 2022 – July 2026

Jaipur, Rajasthan

Kendriya Vidyalaya No.1 Pratap Nagar

Higher Senior Secondary (Percentage: 95%)

2021 – 2022

Udaipur, Rajasthan

Relevant Coursework

Data Structures, Algorithms, Object Oriented Programming, Database Management Systems, Operating Systems, Computer Networks.

Experience

Netsmartz Infotech

Associate ServiceNow Developer Intern

January 2026 – Present

Mohali, Punjab

- Developed and automated **10+ enterprise workflows** using JavaScript-based scripting and backend logic to improve operational efficiency.
- Worked on scalable application modules involving debugging, data handling, access control, and workflow optimization.
- Collaborated in feature development and testing across multiple ITSM modules following clean software engineering practices.

Projects

Scribe's Cipher | *React 19, Tailwind CSS 4, Framer Motion, zxcvbn, Vite* | Live Demo — GitHub

2026

- Built a secure password and passphrase generator with real-time entropy estimation and crack-time prediction using **zxcvbn**.
- Developed a responsive and performance-optimized frontend using **React 19, Tailwind CSS 4, and Framer Motion**.
- Implemented dynamic theming, reusable UI components, and client-side persistence using **localStorage**.
- Focused on scalable component architecture, smooth animations, and modern UI/UX practices.

File Sorter | *Python, customtkinter, PyInstaller*

2026

- Built a desktop automation utility to recursively organize files across **150+ extensions** into **23 smart categories**.
- Designed modular architecture separating GUI, business logic, and configuration layers using **OOP principles**.
- Implemented dry-run preview and undo support for safe and reliable file operations.

Technical Skills

Languages: JavaScript, Python, C++, SQL

Frontend: React.js, Tailwind CSS, HTML5, CSS3, Framer Motion

Backend: Node.js, Express.js, REST APIs

Databases: MongoDB, MySQL

Developer Tools: Git, GitHub, Vercel, Vite, Streamlit, Postman

Certifications: ServiceNow CSA & CAD

Achievements

- Maintained a consistent **9.7 CGPA** throughout the programme.
- Runner-up, Smart India Hackathon Prelims 2023 — ranked **2nd out of 120+ teams**.
